

Renew-U-Laser

RESTORE, ERASE, REJUVENATE

TATTOO REMOVAL ND YAG Q SWITCH

Price per session (Size agreed at consultation) As with all tattoo removal multiple sessions will be needed every 6-8 weeks or more, to either lighten or remove your tattoo depending on size colour and how your tattoo reacts to the laser. This will be discussed on consultation and throughout treatment cycle.

Patch test: **£10** (redeemable against the first treatment)

Small from	£39	Large from	£80
Medium from	£55	Extra Large from	£120

LASER DIODE HAIR REMOVAL

Laser diode technology is the latest laser device for hair removal currently on the market.

Prices for first session below most clients will get the desired outcome within 4-6 sessions sometimes less, depending on hair type and colour. Our policy is to give a 10% discount on every other treatment thereafter which guarantees you only pay for the number of sessions you need whilst still receiving a discount on further treatments. This is to avoid you paying for a costly block booking that you may not need.

Top Lip	£20	Chest	£60
Chin	£25	Under arms (both)	£35
Extended Chin	£30	Forearm	£60
Facial hair (ladies sides)	£30	Basic Bikini Line	£40
